KNS Accessories introduces a new tail light for Street Rodders, Pickups, Customs and many other applications. Inspired by other tail lights in the 1950's, this unit delivers a unique touch and combination. The flush mount housing can be mounted on almost any flat surface and the stainless steel bezel wraps around a beautiful red glass bullet-shaped lens. Loaded with an LED light, this light is sure to be brighter and safer while maintaining a nostalgic look finally giving Hot Rodders the best of both worlds.

The LED light is multi-function for your running, stop and turn signals. The small diameter of this light allows users to be creative and mount it almost anywhere. Whether it be on the back of a hot rod, stacked on a roll pan, or frenched into a custom design. This light is sure to deliver and satisfy any hot rodder's needs.

Part No	Description
KC6050	6 lug spider cap kit w/ 6 chrome lug nut covers

Replacement Parts

Part No	Description
KC6051	Chrome plastic lug nut covers, set of 4

KNS Accessories introduces the first ever 6 Lug Spider Cap. Inspired by popular demand, truck enthusiast now have a 6 lug center cap option that delivers attitude, style and function.

The cap features a chrome steel bullet and lug flange with push-on nut covers. The cap sits at 4.25" at the base and stands 4.75" tall. This allows for fitment on many 6 lug wheel applications, whether it be OEM or aftermarket steel wheels. The push-on lug nut covers deliver a tight fit on 13/16" and 3/4 hex lug nuts, this allows for the absence of any unnecessary bracket or screws. The cap slides over your studs which is then secured down by the lug nuts. After tightening, simply install lug covers and you're done!
