

Vintage Bullseye Bombsight Hood Ornament

Inspired by the post WWII era, this vintage bombsight hood ornament pays tribute to the golden age of American automotive design. Originally seen on late '40s to early '50s Buicks, this iconic accessory has become one of the most sought-after pieces among classic car lovers and collectors. Now available once again, crafted from high quality die cast metal and polished to a show quality finish, it's the perfect way to add bold, nostalgic flair to your build.
