1940-'53 Chevrolet & GMC Truck Incandescent Tail Light & Bracket Kit

KNS Accessories is excited to offer an upgraded version of the 1940-'53 Chevrolet and GMC truck tail lights that are assembled and manufactured with quality in mind. The tail lights have been modified to fit a larger, and brighter 1157 bulb that sits behind a vibrant red glass lens. Each tail light is equipped and padded with a extra thick high quality gasket to help keep moisture out and a nicely braided nylon loom to help keep the wires together. Available in left or right side kit with mounting bracket included.

Application..... 1940 - '53 Chevrolet and GMC Trucks

Voltage 6V or 12V

Features Complete kits come with left or right side tail light, wire loom, upgraded gasket and mounting bracket
